

Blue Christmas Service

Saturday, December 19, 2015 at 4 pm

Not everyone feels jolly during the holidays. Loss of a loved one, separation or divorce, financial problems, mental or physical illness, loneliness, and a host of other human conditions can make the holiday season particularly difficult for some.

During our *Blue Christmas* service, the Mosaic Mental Health and Wellness Ministry will provide a sacred space for those who are going through dark times and the ones who love them.

*Come Join Us to Seek Support or to Share the Light of Christ
and Hope With Others!*
