

The University of Redlands Alliance for Community Transformation and Wellness (ACTW) was launched in the Spring of 2014 to engage community members in conversations about and action toward mental health and wellness. The ACTW Board would like to invite you to partner in an upcoming event designed to engage the Inland Empire in wellness programming. It is our goal to host events and compile resources that connect people and promote all domains of wellness. In order to achieve this goal we need your support.

We are seeking regional business sponsors for Vibe, an interactive festival of wellness scheduled for **February 18th, 2017**. This free event will be held at the Stauffer Center and Brown Amphitheater on the beautiful University of Redlands campus and will be open to the public. Vibe will serve as a fundraiser to support ACTW's reach and impact while also providing a positive educational opportunity for the Inland Empire. The festival will host an exciting line-up of local bands, artisan food and beverage vendors and an array of wellness demonstrations.

Please consider supporting Vibe by purchasing one of the following sponsorship packages:

Platinum: Contribute a tax deductible donation of **\$1,000**

- Live DJ acknowledgement day of event
