Learning Objectives

- Recognize your rights to participate in stakeholder activities which may shape public policy and services for years to come.
- Identify the background, values and mechanics to better act in the interests of the community.
- Locate County processes and venues for stakeholder involvement.
- Practice skills needed to effectively participate.
- Collaborate to develop a plan for collective action.

Presented by the California Association of Mental Health Peer Run Organizations (CAMHPRO)

IN COLLABORATION WITH
Tuolumne County Department of Behavioral Health

Karin Lettau MS, Director of Training
klettau7@gmail.com ▪ <http://camhpro.org/>

Funded by the U.S. Substance Abuse & Mental Health Services Administration (SAMHSA) State Consumer Network Grant with material originally developed under partnership with Peers Envisioning & Engaging in Recovery Services (PEERS) and revised by CAMHPRO with funding from the Mental Health Services Act through the Mental Health Services Oversight Commission (MHSOAC).
